all
do
back up sb or back sb up
read up on sth
raise your voice
at least
in actual fact
in the end
What is sb/sth like?
once upon a time
tell sb to do sth
how/what/why, etc. on earth?
have a word (with sb)
fair enough
burst out
rub out sth or rub sth out
to say the least
at this rate
the fact (of the matter) is
in general
if you like
in other words

I can't tell you how ...
take sb's word for it
account for sth
read over/through sth or read sth over/through
raise a question/subject, etc.
if you ask me
in fact
regards
in fact
let sb know (sth)
on hold
Yours truly,
I suppose (so)
Don't you dare
not believe/understand/hear/say, etc. a word
put pressure on sb
aside from sth
even though
if you like
let's
on the one hand ... on the other hand
Yours sincerely
I suppose
in writing
I/he, etc. couldn't care less
no wonder
read out sth or read sth out
put sth forward or put forward sth
would prefer
as far as I know
even if
in no uncertain terms
if not
to say the least
on balance
such as
I/he, etc. couldn't care less
wish sb luck/success, etc.
best wishes
put down sb or put sb down
you name it
as long as
due to
if only
at least
on the whole
with/in reference to sth
such a(n)

Who cares?
why not?
a vehicle for sth/doing sth
point out sth or point sth out
not to mention
as follows
drop it/the subject
if I were you
at least
of course
strong language
Take care!
why don't you?/ why not do sth?
change the subject
needless to say
drop it/the subject
pick on sb
I mean
as a matter of fact
Do you mind ...?
How dare she/you, etc.
at least
of course not
come/get straight to the point
Don't ask me
whether... or
discourage sb from doing sth
round of applause
wait a minute/moment
make sth public
as for
don't you?/do you?/doesn't she?/does she?, etc.
How strange/stupid/weird, etc. is that?
last but not least
of course
for a start
Don't ask!
what's/what is more
jump to conclusions
at any rate
note down sth or note sth down
talk about sth/doing sth
make sense
apart from
details
How about ...?
to (the best of) my knowledge
notes

speak for/on behalf of sb
catch up with sb
What if ...?
pass on sth or pass sth on
In conclusion
relatively good/bad/cheap, etc.
at this rate
move on
talk business/politics, etc.
would love to (do sth)
among other things
Oh dear!
How about...?
the next thing I knew
certainly/definitely/hopefully not
generally/personally, etc. speaking
What about ...?
own up
make yourself understood
as well
go into detail/s
How do you do?
strong language
compare notes
so to speak
stick up for sb/sth
What ...for?
Really?
keep/break a promise
make up sth or make sth up
don't hesitate to do sth
would love sth/to do sth
that's alright
How dare she/you, etc.
How are you?
you never know
not to mention
see you soon
What about ...?
justify yourself
that's all right
of course
to be honest
before you know it
not at all
or something (like that)
Oh well
the following

not really
mother tongue
look up sth or look sth up
come to think of it
Yours faithfully
wait a minute
look through sth
have a word with sb
all in all
of course not
ring hollow
I know
not at all
so to speak
it's just as well
I/we understand (that)...
see you later
not exactly
to my mind
Look out!
worst of all
give sb your word
all things considered
of course
on hold
as far as I know
not too
I told you so
Well done!
forgive me
definitely not
take issue (with sb/sth)
look at sth
to some extent/to a certain extent
give sb a call/ring
after all
all things considered
get hold of sth/sb
you know
be none of sb's business
and so on
be welcome to do sth
for example
under your breath
in no uncertain terms
I don't blame him/them/you, etc.
certainly not
on the one hand ... on the other hand

in all honesty
keep sth to yourself
to a great/large, etc. extent
Excuse me
all the best
pay sb a compliment
Help!
let sb know
no ... than
in short
you're welcome
No comment.
round of applause
the basics
believe it or not
Excuse me
after all
compare notes
Happy Birthday/New Year, etc.
keep notes/records, etc.
Oh no!
shall I/we...?
by the way
a call for sth
go on
in actual fact
I/We appreciate...
change the subject
it's a good thing
keep in touch
the next thing I knew
make sense
once upon a time
put/set the record straight
pleased to meet you
Absolutely not.
hear from sb
go into sth
How/What about ...?
would appreciate
No chance!/ Not a chance!
it goes without saying
it's just as well
never mind
I'll/we'll see
under your breath
speak volumes
Absolutely!

go on
exchange looks, opinions, views, etc.
I'm afraid...
Come on!
Good for you!
keep a/sth secret
no thanks
in a sense
raise your voice
speak volumes
go ahead
How/What about ...?
by any chance
go into detail/s
jump to conclusions
your native language/tongue
see you later/soon/tomorrow, etc.
pay tribute to sb/sth
off the record
catch sb's attention, interest, etc.
get sb/sth to do sth
judging by/from
wait a moment
see you
lose touch
put/set the record straight
give in
watch out
Oh my God!
give away sth or give sth away
in response to
turn to sb/sth
in that case
get in touch
instructions
mind your own business
all/just the same
be/get/keep, etc. in touch
off the record
Guess what?
